

# M-BEES 2009

2<sup>nd</sup> Maastricht Behavioral and  
Experimental Economics Symposium

*Theory and Experiments*

**Friday, 5 June 2009**

## Call for Papers

### Keynote Speakers

Armin Falk

University of Bonn

Drew Fudenberg

Harvard University

#### Information

The broad topic of the Symposium is *Theory and Experiments* and centers around the question if and how economic experiments can inform economic theory and vice versa. The Symposium takes place on a single day and closes with a social dinner. There are two invited keynote speakers opening and closing the program with contributed paper sessions in between.

#### Paper Submission

Please email a paper or an extended abstract in pdf-format by **3 April 2009** to [MBEES@algec.unimaas.nl](mailto:MBEES@algec.unimaas.nl). Notification about the outcome of the selection process can be expected by 15 April 2009.
